

# Student View (Meet)

- To access the video call you will need to login to your Pathways Google Classroom account.
- You will have been invited to a classroom for your subject or catch up.
- You will need to select the correct classroom at the right time to see the meet link.

**Website browser (ideally Chrome) - on all devices**

- students would see the link in the banner. Which they just click and Meet will open in another tab.
- On a phone or tablet students can use the browser to access Classroom and Meet like a laptop or desktop.

**For students using the app on a phone or tablet.**

- The link will appear as a video icon in the top right.
- They will also need to download the Meet app. The icon takes them to the Meet app or directs them to download it.
