Dear Student,

Congratulations on your completion of Year 11, including your end of year examinations and assessments. We are so proud of the effort you have shown at Pathways Learning Centre and the young person you have become.

We will be marking your final day at Pathways on the **30<sup>th</sup> June 2023** with a celebratory barbeque. We know that for some students, leaving Pathways will be difficult and we have included some sources of support on the back of this letter.

Now that examinations are over, there is no need to attend school, other than the last day, to complete any unfinished pieces of work or organised trips. If you do wish to come in for any other reason, our expectation is that you will use your time constructively and set a good example to the rest of the school community. If behaviour is disruptive or rules are persistently broken, we will request that you remain at home, as not to disturb the learning of other year groups.

After the 30<sup>th</sup> June 2023, we will not be expecting to see you at school, unless this has been specifically arranged with your provision lead.

#### **Transition and Careers Support**

Steve Newman (Careers Advisor) will be available to support the transition of any students who have not yet secured a post 16 placement or if have not made a decision their next steps. This support will continue into September for all those Year 11's who may need it.

#### **Exam Results Collection**

Your examination results will be published on Thursday 24<sup>th</sup> August 2023. To enable you to collect your results on the Thursday, we have made arrangements for staff to be available at **Pathways Learning Centre, Overndale Road, Downend between 10am – 12pm**. All uncollected exam results will be posted first class on this day – you should receive them at home on the Friday 25<sup>th</sup> August 2023 excluding postal day.

Kindest Regards,
