Year 11 Term 6 Study Leave

Dear Parent/Carer

As your child prepares for their remaining public GCSE examinations, we are granting study leave from Monday 2nd June 2025. This means your child will **not be required** to attend school during this period, **unless they wish to revise on-site, for which facilities are available**.

Study leave is granted to support focused revision ahead of exams. Please ensure your child has a suitable space to study at home. If you have any concerns, please contact us. All study leave will be recorded as authorised absence in line with DfE guidance.

Once your student has completed their last examination, your child will not be required onsite but will be welcomed back to mark their transition with some end of year 11 celebrations in the week commencing Monday 23rd June 2025. We will inform you of the celebratory events after half term.

Thank you for your ongoing support of your student as they navigate this challenging period.

Kindest Regards

Dan
