Dear Student

Congratulations on your completion of Year 11, including your end of year examinations and assessments. We are so proud of the effort you have shown at Pathways Learning Centre and the young person you have become.

Now that the examinations are over, you can enjoy your summer break and we will look forward to seeing you on examination results day. For many of you, completing these examinations has been a massive achievement and, whatever the grade, we are very proud that you have engaged with your learning.

Exam Results Collection

Your examination results will be published on Thursday 21st August 2025. To enable you to collect your results on the Thursday, we have made arrangements for staff to be available at **Pathways Learning Centre, Overndale Road, Downend between 10am – 12pm**. All uncollected exam results will be posted first class on this day – you should receive them at home on the Friday 22nd August 2025 excluding postal delay.

Transition and Careers Support

We are so proud that you are now ready to move on to the next chapter of your learning story and our transition and careers support team at Pathways will still be there to offer support. Steve Newman (Careers Advisor) will be available to help the transition of any students who have not yet secured a post 16 placement or have not yet made a decision regarding their next steps. This support will continue into September for all those who may need it.

Finally, I want to wish you all the best in your future endeavours. You will always be part of the Pathways family and I hope you continue to develop your social and emotional skills that you have shown while you have been with us. Good luck in all you do!

Kindest Regards,
